Main Street Waterloo Needs YOU!

The Main Street program is designed to bring new life and activity to our downtown. To help make what we do as effective as possible, we delegate different parts of our effort to people who are most enthusiastic about different kinds of work, and foster collaboration between

volunteers, merchants, city staff, partner organizations, financial supporters, and community leaders. Volunteers are a key element in our successful Main Street program.

We believe that each volunteer contributes directly to the growth and success of Main Street Waterloo and we hope you will take pride in being a member of our team. Without you, we cannot succeed in growing our downtown and radiating energy outward.

There are many ways to join ongoing efforts to strengthen the fabric of our community. In fact, each year, community-minded volunteers contribute thousands of hours to help plan events, complete projects, plant flowers, provide general maintenance and so much more. There are plenty of ways to get involved. You can join one of our four standing committees, or simply volunteer to lend a hand at one of our events. Please contact the Main Street Waterloo office at 319-291-2038 if you are interested in volunteering or joining a committee.
