The market season opens May 16 8:00AM-12:00PM

Governor Reynolds issued a proclamation with language addressing farmers markets allowing them to open with strict guidelines. As we kick off the market season, only vendors who sell farm products or food will be allowed. Other vendors will only be available through our Curbside Market. There will be no entertainment, or activities. There will be no common seating areas. Vendor booths will be spaced to allow for social distancing. All vendors are implementing reasonable measures to ensure social distancing and increased hygiene practices. There will be NO public restrooms during the market.

While you will see many changes implemented to keep you safe, we are excited to kick the season off and provide the community with a quality market!
