Community is the heart of everything we do. As COVID-19 has an increasingly significant impact on our community, the hospitality industry has been especially hard hit. This is the time for us to come together and support one another. Main Street Waterloo has compiled a list of downtown restaurants who are offering take-out, delivery, or have drive through.

When planning your meals, please consider supporting local and ordering from one of the many restaurants who are open to serve you. When we come out on the other side of this crisis, we want to ensure our small businesses who help tell our story, are there with us, rebuilding our way of life. We will come back from this, we are strong, #WeAreWaterloo!

We are partnering with Experience Waterloo to showcase our local businesses. Use #EatLoveWaterloo and post photos of your carryout or delivery meals to social media to show your support for our friends and neighbors in the restaurant industry. Community is about standing up for our neighbors and friends when they need us the most. Buying lunch or dinner does more than fill your belly, it protects our community.
